

INTRODUCING PARETO'S NEW Operational Manager APPRENTICESHIP

LEVEL 5

Over the last 25 years Pareto has successfully trained over 100,000 people in the UK, Europe and beyond. We're passionate about delivering excellent training to help learners excel and achieve their ambitions...

Our new Operational Manager Level 5 Apprenticeship is a level of qualification equivalent to a foundation degree, which reflects the importance of a strong management skillset for leaders in any business.

Overview of Pareto's Operational Manager Level 5 Apprenticeship

Productivity levels in the UK are currently below all other G7 industrial nations

In the current economic climate, managers with operational responsibilities are under enormous pressure to boost performance and deliver the maximum output to secure the future of the businesses.

At Pareto, we are passionate about delivering the training for the Operational Manager Apprenticeship Level 5. This is a demanding training programme, and the skills learners will perfect during the course of the apprenticeship include, operational management models and approaches, setting of KPIs, use of business development tools, resource management, contingency planning, financial forecasting, conflict management and negotiation skills - to name just a few.

This comprehensive course will ensure that managing staff are able to operate at the peak of their abilities, driving productivity and growth. As a learner looking to enrol in this apprenticeship, you can expect to open the door to your career path and drive your personal growth forwards as well as actioning your learning in your role to make impressive ROI, fast.

DURATION: 24 MONTHS, with 80% of learning achieved on the job, for optimum productivity.

WHO IT'S A GOOD FIT FOR:

This apprenticeship is suitable for people in roles such as Operations Manager, Regional Manager, Divisional Manager or Department Manager in any industry. The course can be tailored to suit employer business requirements, ensuring learners achieve their maximum potential and deliver the knowledge and skills their business needs. With 80% of learning on the job, this is a qualification designed for all businesses who rely on a leadership and management structure for their growth.

WHAT ARE THE ENTRY REQUIREMENTS?

The new apprenticeships are open to a wide range of learners, giving employers the power to choose their apprentices as long as some very basic criteria are met.

An eligible person must be; A citizen within the European Economic Area (EEA) or have the right of abode in the UK, and have been ordinarily resident in the EEA for at least the previous three years on the first day of learning. A non-EEA citizen with permission from the UK govt to live in the UK, (not for educational purposes) and ordinarily resident in the UK for at least the previous three years before the start of learning.
